

# Wondering about **SUNDAY OFFERINGS?**

During this time of loving our neighbours through restricted social gathering we invite you to keep track of your normal givings and make your offering when we can once again fellowship together in person.

This way we keep one another safe and still make our offerings to the Lord

2 Corinthians 9:7 (NLT) You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure. For God loves a person who gives cheerfully.
